

Spirit Lake High School Robotics Coach

Spirit Lake High School seeks an innovative and creative High School Robotics Coach beginning in the fall/winter of 2021/2022. Candidates must demonstrate a commitment to students' learning and excellent interpersonal and communication skills to build strong relationships with students. Spirit Lake Schools believes that our Robotics club is a great way to get gears turning towards future careers in engineering, mechanics, designing, or programming. Robotics is a hands-on extracurricular activity with opportunities to stretch students' imagination using motors, electronic equipment, pneumatic systems, and fabricated parts. The Spirit Lake Robotics Team designs and builds a robot for the new FIRST Robotics Competition every year.
