

**2021-2022
Membership Drive**

Spirit Lake Music Boosters

PO Box 35 | Spirit Lake | Iowa | 51360

Each year, about this time, we look forward to an opportunity to communicate with our community businesses and individuals about their support for the Spirit Lake Music Boosters.

As you know, last year was an extremely challenging year for all of us, and yet, our business and personal partners rose to the occasion and supported us in ways beyond what we could have imagined. This tells us several things. It tells us that the music programs of our schools are extremely important to our community, that our supporters want to make sure that this excellent program not only continues but grows and expands to benefit even more of our students and community, and hopefully it tells us that our supporters realize the personal benefit of the community seeing their name and/or the name of their business displayed as a supporter of our music programs.

Please read through the information we have provided regarding ways YOU can support the music programs in the Spirit Lake Community School. We have included a form and self-addressed envelope for you to use for your response. Again, thank you for your support. We appreciate your partnership in helping to shape and nourish our students through the music programs of our school.

With gratitude to our supporters, admission to Spirit Lake regular music concerts for the 2021-2022 school year is FREE. This benefits our students, their families, our school, and our community.

Your donation in the form of a membership makes it possible for the Spirit Lake Music Boosters to provide outstanding music experiences, fabulous costuming, necessary instruments, useful equipment, and so much more. All donations to the membership drive and monies earned at the various fundraisers are used specifically to benefit students participating in all instrumental and vocal music activities in grades K-12.
