Pegasus/Tag End of Year Report

2nd Grade Spring Testing: Spring 2023, all 2nd grade students were tested using the CogAT Screener. The highest performing 25 percent moved on to the complete battery of testing. The top 10 percent at the completion of this were selected. Parents had the ability to opt out of testing, or suggest admittance to the program based on different criteria.

11 Students were admitted for the following school year

Each Grade utilized stem challenges, design, critical thinking, divergent, and convergent thinking to progress through units of study in a manner that emphasized each student's unique skills sets.

3rd Grade	9 Students	Tinkercad Design Challenge Paper Airplane Coding Gravity Sketch VR Lego Journey

7th Grade	13 Students	Tinkercad Design Challenge

		3D Animation and Design Gravity Sketch VR
8th Grade	16 Students	Tinkercad Design Challenge Resume Building Interview Practice 4 on the Couch

Strivers:

The strivers program is a monthly emphasis on subjects like math, science, and reading. The program is for 3rd and 4th grade students that are on TAG's radar, and need to build a portfolio of artifacts. The program saw 16 students each month that were recommended by their classroom teacher, because of their proficiency in that month's subject. The program provides parents and teachers another opportunity, besides the CogAT test, for student to enter the PEGASUS program.
