

**2023-2024
Membership Drive**

Spirit Lake Music Boosters

PO Box 35 | Spirit Lake | Iowa | 51360

Each year, about this time, we look forward to an opportunity to communicate with our community businesses and individuals about their support for the Spirit Lake Music Boosters.

We are extremely grateful for the business and personal partners who have supported our mission in the past and hope they choose to continue their support. If you are receiving this letter for the first time, we hope you too can see the benefits music provides for our students. Additionally, we hope our supporters see an added benefit when the community sees their name and/or the name of their business displayed as a supporter of our music programs.

Please read through the information we have provided regarding ways YOU can support the music programs in the Spirit Lake Community School. Included in this mailing, you will find a card and self-addressed envelope for you to use for your response. An additional card is included which outlines the details of the Music Booster Endowment Fund.

If you have any questions, feel free to contact the membership coordinator, Jessica Nikkel at 712-339-5125.

Again, thank you for your support. We appreciate your partnership in helping to shape and nourish our students through the music programs of our school.

With gratitude to our supporters, admission to Spirit Lake regular music concerts for the 2023-2024 school year is FREE. This benefits our students, their families, our school, and our community.

Your donation in the form of a membership makes it possible for the Spirit Lake Music Boosters to provide outstanding music experiences, fabulous costuming, necessary instruments, useful equipment, and so much more. All donations to the membership drive and monies earned at the various fundraisers are used specifically to benefit students participating in all instrumental and vocal music activities in grades K-12.
