### **ACCEPTING APPLICATIONS FOR 2026-27: Family & Consumer Science Teacher**

Spirit Lake High School seeks a passionate and innovative Family & Consumer Sciences (FCS) Teacher beginning in the 2026–27 school year. We are looking for an educator who understands the critical role FCS plays in preparing students for life beyond high school through real-world learning experiences.

Spirit Lake Community School District is committed to preparing students for success in careers, college, and life. We value educators who build strong relationships with students and families, collaborate with colleagues, and create engaging learning experiences that connect classroom content to real-world application. Courses may include areas such as foods and nutrition, child development, textiles, and other life-centered content aligned to student interests and workforce needs.

#### **Qualifications and responsibilities:**

- Design and deliver engaging instruction in Family & Consumer Sciences courses that prepare students with practical life and career skills.
- Embed employability skills such as communication, collaboration, problem solving, and responsibility into coursework.
- Build positive relationships with students and families to support student growth and engagement.
- Utilize a variety of instructional strategies to meet diverse learner needs.
- Integrate technology to enhance student learning.
- Collaborate with staff to support student success and career readiness initiatives.
- Maintain a classroom environment that is inclusive, supportive, and focused on student growth.
- Valid Iowa teaching license with Family & Consumer Sciences endorsement
- Strong interpersonal and communication skills
- Commitment to continuous improvement and professional growth

Spirit Lake Community School District is a progressive district committed to innovation, strong relationships, and preparing students for life. Our staff works collaboratively to provide meaningful opportunities for students to explore career interests and develop practical skills that support future success.
